A Touch of Energy

Hektik, Stress, Anspannung und die immer wachsenden Ansprüche belasten uns mehr denn je. Umso wichtiger ist es, sich Auszeiten zu nehmen und neue Energie- und Kraftquellen zu finden.

The pressures of our daily lifestyle can produce a harming and stressful effect on our bodies and minds. It is important that we can access a relaxing and reenergising alternative.

ENERGIE TANKEN *mit* VOSSEN

Seit Jahrtausenden kennen römische, griechische und asiatische Kulturen die energiespendende Kraft eines Bades – einfach „Ich-Sein“, Entspannung und Entschleunigung finden. Das Erleben des Augenblicks mit allen Sinnen. Spüren Sie das wohltuende und anregende Gefühl und genießen Sie das VOSSEN Feeling auf Ihrer Haut.

For thousands of years the Roman, Greek and Asian cultures have known about the relaxing and invigorating effects of a bath on both body and soul. Enjoy a relaxing and invigorating bath and then experience the VOSSEN feeling on the skin.
